Marketors' Livery Fellowship Golf Day @Verulam GC

Thursday 27th July

Plumbers' Annual Golf Day @New Zealand GC

Thursday 7th September

PGS Autumn Meeting @Farleigh GC

WELCOME FROM OUR GOLF SOCIETY CHAIRMAN

Master
Air Cdre Paul Nash OBE BSc RAF (Ret'd)

"Fellowship is one of the key themes of life in our Company. Joining our Plumbers' Golf Society is a great way to play your golf at some iconic golf courses, in a fun and enjoyable atmosphere both on and off the links..."

In the last few years the Golf Society has gone from strength-to-strength including last year winning The Horners' Trophy, The Marketors' Inter-Livery Fellowship Cup and qualifying once again for The Prince Arthur Cup - the "Major" of Inter-Livery golf.

However, we always look to balance success on the links with having a lot of fun and ensuring that everyone, no matter at what level they play, can attend our Spring and Autumn meetings which are open to all Members and their golfing friends.

Our annual golf day is held at New Zealand Golf Club in Surrey and is always popular. An ideal opportunity for Members to bring their guests and to entertain them at one of the hidden gems on the golfing circuit. The lunch is 'significant' and The Master (I will be there) is invited to join us and to hand out the prizes for the Member and Guest Competitions.

2022 again proved to be a difficult and for many a very challenging year economically, so I was really delighted that we were able to host very successful and well supported golf days. Firstly our Spring Meeting at Wildernes; our new Chairman's Away Trip at Morley Hayes; our main event at New Zealand followed up by our Autumn Meeting at Farleigh. Superbly organised by Tony Peters and David Hannam, ably assisted by all clubs who looked after us extremely well. Thank you.

We were able to join once again our old friends the Horners at Swinley Forest and Ashridge plus The Marketors at Verulam. Thank you to all our PGS 2022 Members for your support and enthusiasm!

We will be getting together, albeit virtually, as fellow PGS 2023 Members for our Annual General Meeting on 19th January.

2023 has a special significance for me in my new role as Master of our Company. Sue and I look forward to welcoming you all to a full year of activities both on and off the Links! I look forward to playing alongside you soon.

Thursday
13th April
2023

- Prizes incl NTPs

LIFE ON THE LIVERY LINKS

The objective of the Plumbers' Golf Society is to provide social golf to maintain and grow existing friendships formed in the fellowship of our Livery Company, and to encourage new friendships to form between The Society members and other Livery Company golfers.

The Society will support and align to the Aims and Objectives of The Worshipful Company of Plumbers as set out on the Company Website.

The Society is bound by and agrees to be governed by the rules of golf and amateur status as laid down and from time to time regulated by the Royal and Ancient Golf Club of St. Andrews (R & A), the English Golf Union (EGU) and Handicapping rules from EGU.

The Society Committee will normally comprise three people, the Chairman, the Secretary, and the Treasurer. Other Members may be co-opted on from time-to-time, such as a Senior Advisor

SECRETARY

David Hannam

SENIOR ADVISOR

Don Munro

Membership of The Society is open to any Liveryman or Freeman from The Worshipful Company of Plumbers, their Spouse/Partner and their immediate family upon payment by each individual of the annual subscription.

All Plumbers' Golf Society events are open to all Members.

The Inter-Livery team events may be limited to Liveryman or Freeman holding a World Handicap System Handicap Index.

PGS competitions are open to members without a Handicap Index. The member will be limited to a maximum of 28 shots (men) and 36 shots (ladies) as a Playing Handicap. Joining EGU iGolf is encouraged.

Most Plumbers' Events will be played as Individual Stableford off 95% Playing Handicap in line with EGU recommendations for singles competitions.

All members must be mindful of the standard of dress required by The Society whilst on the premises of a golf day venue or as required by the Host Livery. This will normally be golf attire during the day and then jacket and Plumbers' tie or smart casual for the meal in the Clubhouse.
